Dear Representative Reed,

The Penns Manor Area School District is proud to welcome you to Watch Me Grow! We are very excited to introduce you to Mark, a child who attends our Pre-K Counts class at Penns Manor Elementary. Throughout the school year you will receive special packages from Mark that will highlight many of the wonderful experiences that our students are a part of.

Because of the high quality standards associated with Pennsylvania Pre-K Counts, such as curriculum aligned with the PA Early Learning Standards, small class sizes and Elementary/Early Childhood certified teachers, the children of our community receive the best in their education. I want to sincerely thank you for helping to make this remarkable program a reality.

We sincerely hope that you enjoy these packages and that you can see through Mark's hard work how important a quality early childhood experience is for ALL children in Pennsylvania.

Sincerely,

Mrs. Melissa Horn

Pre-K Teacher
