

ATTENTION SOPHOMORES, JUNIORS AND PARENTS

Be aware that under the provisions of the No Child Left Behind Act of 2001, as well as under both federal and state law, schools are obligated to release directory information - information that consists of names, addresses, and telephone numbers - of all members of the senior class to military recruiters, as well as to institutions of higher education, upon request.

Please be aware that such information will be provided as requested unless permission to release this information is denied in writing by students 18 years of age or older by the parents or legal guardians of those students who are not yet 18 years old. Requests to deny release of information must be received in writing utilizing the form at the bottom of this memo, no later than April 9, 2010, after which date the information will be released as requested.

Should you have any questions or need clarification, please contact the Guidance Office of Penns Manor at 724 254-2666, ext. 2700.

I do not wish to have my child's directory information released to military recruiters or institutions of higher education.
